

Coffee Filter Snowflakes

© 2016 www.babbledabbledo.com

Instructions for using the template:

For coffee filter folding directions refer back to Psychedelic Snowflakes tutorial

Step 1 Cut out the triangle template you want to use with your folded coffee filter.

Step 2 Use template as a guide for cutting your snowflakes. You can lay the template on top of the folded filter OR refer to the template visually. Cut out BLACK sections.

Step 3 Carefully unfold along major fold lines.
